

Sponsor a Stud Fundraising Guidelines

Calling all individuals, businesses, churches, civic groups, schools, clubs, and families!!!

Now is your chance to **Sponsor a Stud** and help beat the affordable housing crisis in San Antonio. Here is how it works:

- Visit our Administrative office, 311 Probandt, and tell the receptionist that you want to Sponsor a Stud.
- Make a tax-deductible donation of \$100 by check, cash (bills only – we cannot accept coins) or money order for every stud you wish to sponsor.
- Pick up your stud right then and there – the stud is a 2 x 4 single piece of lumber about 7 ½ feet long
- Decorate your stud: paint it, color it, write song lyrics, bible verses, encouraging messages, add your group's logo, signatures, stickers, kids handprints, rally cries of your favorite team...
- Return it back to our administrative office (regular business hours are M-F 8:30 am - 4:30 pm)
- We take it from there! We will use that stud in one of the homes in the near future.
- Know that the \$100 donation and that stud will serve to build up not only a home but a hardworking family in your own community!

Just as these studs provide the needed support to our homes - - our donors are the foundation of Habitat for Humanity of San Antonio. Without financial support, year after year, we would never have been able to build 1,100 + homes in San Antonio.

Help keep the ministry alive by Sponsoring a Stud and together we will #BuildforBetter!
