

# Joshua Build

Sunday, June 14th, 2020

12:15 pm – 3:00 pm

231 E. North Loop Road, 78216

**ALL AGES WELCOME**

Habitat for Humanity of San Antonio is bringing the construction site to the Coker UMC Campus! Habitat will provide the tools and materials needed for volunteers to build all the wall panels needed for 2 Habitat homes. Habitat then stores the completed panels until we raise them on site.

**Help empower a family for a lifetime, one nail at a time!**

No construction skills are necessary, and everyone is invited to participate, including children and teens with adult supervision and a guardian signed waiver.

Stop by for 30 minutes, or stay for the whole 3 hours of building. There will be music and food trucks will be on site for you to purchase lunch if you wish.

For more information: contact us at **210-223-5203 x148** or [FaithRelations@HabitatSA.org](mailto:FaithRelations@HabitatSA.org)
