

“THE NUMBERS”

Homes built:

- 1,152 affordable homes built and sold to qualified families (as of April 2020)
- 82 affordable homes rehabilitated and sold to qualified families (as of April 2020)
- Over 4,000 individuals served since our founding

Jobs:

- 103 – the number of people employed by Habitat:
 - 61 employed full time
 - 15 employed part time
 - 15 employed seasonally working anywhere from 10 to 100 days a year as needed
 - 10-12 high school/college students are employed over the summer under our Student Internship Program
- 55+ small business sub-contractors utilized by Habitat
- \$4,700,000+ of goods and services purchased by Habitat annually

Volunteers:

- 15,500+ the number of volunteers who participate on a Habitat build site each year

Stewardship:

- 100% of every dollar donated by the community is used for home building. No donor funds are used for operating expenses unless a specific grant is designated for that purpose.
- 100% of every CDBG & HOME dollar is used for infrastructure (streets, drainage, utilities, erosion control, neighborhood noise barrier fencing, sidewalks, & drives) or CHDO expenses.
- \$1 to \$3 (or more) is raised from the community for every \$1 funded by the government.
- Habitat generates its own operating funds through our Home Centers.

Contribution to Community Tax Base:

- \$55,640,000+ added to the property tax rolls per BCAD
- \$1,225,000+ Property Taxes Paid in 2017 by Habitat home owners

Family Success Information:

1,128 Homes with No-interest (0%) Mortgages (as of 12/31/2019)

- 231 Mortgages Paid Off
- 87 Homes Returned to be Resold to other qualified families
- 884 Active Mortgages
 - 830 current on their payments (95.8%)
