

## Information for Lunch Donations

Lunches provided to volunteers on site make an invaluable contribution to the building program! **These meals must be purchased from commercial kitchens (restaurants, grocery stores, etc.). No home cooked meals are accepted at this time. Lunches must also be provided in single serving containers,** with the exception of large pizzas, which are acceptable lunch donations and should be delivered whole and in their original boxes.

**Lunch is served at 11:00 a.m.** Please arrive 15 minutes prior to start setting up. You will check in with VOLUNTEER SERVICES (fluorescent orange T-shirts) and they will direct you to the appropriate house for you to serve lunch. A table will be provided for set up. **Please make sure to wear closed toed shoes for your safety!**

Plan to bring enough food to feed 30 adults- remember volunteers have been hard at work all morning and will be hungry! Providing **30 lunches will earn you 24 hours** of non-construction or volunteer hours.

### Each lunch should include:

- A beverage such as a sports drink, soda, or iced tea-- *bottled water is provided on site.* On cold days, hot beverages are welcome.
- A snack such as chips, pretzels, cookies, granola bar, or piece of fruit.
- Napkins and utensils needed for the meal (plates, forks, etc.) as we do not have these items on site. You are welcome to bring a tablecloth as well.

### Here are some ideas for lunches. These are just suggestions:

- Burgers or chicken sandwiches with fries and snack (no kids meals)
- 5pc chicken tenders with fries and snack
- 3pc fried chicken with fries and snack
- Sub sandwiches (individually wrapped), chips and snack
- Pizza (at least 2 pieces per person) with chips and snack

Lunch setup and servers must wear gloves while handling food. Hand wash station and hand sanitizer are available at all times. Basic rules for food hygiene need to be observed. Menu items that contain eggs, mayonnaise, and/or any dairy should be kept cold before serving. Likewise, hot foods should be served hot.

Thank you for your participation!

**To schedule your lunch donation, please contact Volunteer Services  
at (210) 223-5203 ext. 161**
