

Information for Lunch Donations

Lunches provided to volunteers on site make an invaluable contribution to the building program. These meals should be wholesome, filling, and convenient for the workplace.

We serve lunch in two shifts at either 11:00AM or 12:00PM. If you are assigned to the 11:00AM shift please plan to arrive on site at 10:45AM and if you are assigned to the 12:00PM shift please plan to arrive on site at 11:45AM. Upon arrival please check in with VOLUNTEER SERVICES (find them in the fluorescent orange shirts) and they will direct you to where you will be serving. You will be provided with a table for setup and serving. Please make sure to wear closed toed shoes for your safety!

Plan to bring enough food to feed 30 adults. Although it is not required one way to assure the right number of lunches is to bring the meals already bagged or boxed. Remember volunteers have been hard at work all morning and will be hungry!

- Providing **30 lunches will earn you 24 hours** of non-construction sweat equity hours for our partner families or 24 volunteer hours.

Each lunch should include:

- A beverage such as a sports drink, soda, or iced tea-- *bottled water is provided on site.* On cold days, hot beverages are welcome.
- A snack such as chips, pretzels, cookies, granola bar, or piece of fruit.
- A filling and nutritious meal.
- Napkins and utensils as needed for the meal (plates, forks, etc.) as we do not have these items on site. You are welcome to bring a tablecloth as well.

Here are some ideas for lunches. These are just suggestions:

- Burgers or sandwiches with fries/chips and snack (no kids meals)
- Spaghetti, salad, bread, cookies
- Hot dogs with chili and cheese, chips, and brownies (2 per person)
- Chicken, potatoes, or vegetables and fruit
- Hot soup (good cold weather option), tortillas, cookies
- Pizza (at least 2 pieces per person) with chips and snack

Lunch setup and servers must wear gloves and masks while handling food. Hand wash station and hand sanitizer are available at all times. Basic rules for food hygiene need to be observed. Menu items that contain eggs, mayonnaise, and/or any dairy should be kept cold before serving. Likewise, hot foods should be served hot.

Thank you for your participation!

To schedule your lunch donation, please contact SA Volunteer Services at (210) 223-5203 ext. 161 or GV Volunteer Services at (830) 865-6585.
