Independent Auditor's Report

To the Board of Directors
Habitat for Humanity of San Antonio
San Antonio, Texas

Opinion

We have audited the accompanying consolidated financial statements of Habitat for Humanity of San Antonio (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Habitat for Humanity of San Antonio as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Habitat for Humanity of San Antonio and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat for Humanity of San Antonio's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Habitat for Humanity of San Antonio's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat for Humanity of San Antonio's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 9, 2023, on our consideration of Habitat for Humanity of San Antonio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Habitat for Humanity of San Antonio's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat for Humanity of San Antonio's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Habitat for Humanity of San Antonio's 2021 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated May 16, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Habitat for Humanity of San Antonio

Notes to Consolidated Financial Statements
December 31, 2022 and 2021

Note A: Nature of Organization

Habitat for Humanity of San Antonio, Inc. (Habitat) works with disadvantaged families in the community by constructing and providing modest, decent, and affordable housing. Families selected for a Habitat-constructed home must provide 200-300 hours "sweat equity" on their home, or on another Habitat project, to complete their eligibility. Upon purchasing and moving into the home, the family begins paying for the house under the terms of a 20 to 25-year, interest-free financing arrangement (see **Note D**). The sale price of each home is at, or less than, Habitat's cost of constructing the home.

As of October 1, 2021 Habitat expanded its service area to include Guadalupe County so it now services both Bexar and Guadalupe Counties. As part of the expansion, Habitat received a \$1,451,979 "in kind" donation of materials, land, store inventory, mortgage receivables and various other items from the previous Guadalupe Valley Habitat for Humanity, at the time that corporate entity was dissolved.

Habitat also operates the Home Center. The Home Center consists of four retail stores selling new and used building materials. New, donated, and salvaged building materials are sold to the public at a reduced price. The proceeds of the sales provide funds for Habitat's administrative and various other expenses.

Habitat is the sole owner of Hand Up Homes, LLC, a Texas limited liability company, which is considered a disregarded entity for tax purposes. Hand Up Homes was formed to assist in publicizing and promoting the activities of Habitat. Hand Up Homes is authorized to engage in any activities or transactions necessary to carry out or promote activities of Habitat.

Mission Statement

Habitat for Humanity of San Antonio, Inc. is an ecumenical, Christian organization working in partnership with God's people in need to build modest, decent, and affordable homes without interest or profit, thereby witnessing God's love in action.

Note B: Summary of Accounting Principles

Federal Income Tax Status

Habitat is exempt from federal income tax under Section 501 (c)(3) of the Internal Revenue Code. Contributions to Habitat are deductible to the extent allowed by law. Management of Habitat believes it has no material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits. In addition, Habitat has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There is unrelated business income for the years ended December 31, 2022 and 2021. Habitat is not subject to the Texas margin tax. Management is not aware of any tax position that would have a significant impact on its financial position.

Habitat is subject to and pays unrelated business income tax on the sale of items purchased to resell in the Home Center. The tax is calculated as a percentage of net gain from sales using corporate rates. Net gain from sales are gross sales less any cost of goods sold and other allocated costs.

Basis of Accounting

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). Net assets, support and revenue, and expenses are classified according to two classes of net assets:

Habitat for Humanity of San Antonio

Notes to Consolidated Financial Statements
December 31, 2022 and 2021

Note B: Summary of Accounting Principles (Continued)

Basis of Accounting (Continued)

- *Without Donor Restrictions* – net assets available for use in general operations and not subject to donor restrictions. Grant and contributions gifted for recurring programs of Habitat generally are not considered “restricted” under GAAP, though for internal reporting Habitat tracks such grants and contributions to verify the disbursement matches the intent. Support that is restricted by the donor is reported as an increase in net assets without restrictions if the restriction is fulfilled or expires in the same year in which the support is received. Assets restricted solely through the actions of the Board of Directors are reported as Net Assets Without Donor Restrictions, Board Designated.
- *With Donor Restrictions* – net assets subject to donor-imposed stipulations that are more restrictive than Habitat’s mission and purpose. Some donor restrictions are temporary in nature, such as those that will be met by the passage of time. Donor imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Methods Used for Allocation of Expenses Among Program and Supporting Services

The Statements of Functional Expenses present expenses by function and natural classification. The costs of providing Habitat’s various programs and activities have been summarized on the functional basis in the Statement of Activities. The majority of the expenses are recorded directly to the program, administrative, or fundraising function for which they benefit. Accordingly, certain other costs require an allocation on a reasonable basis that is consistently applied. The expenses which are allocated include salaries and benefits, which are allocated on the basis of salary surveys (time and efforts) of the employees.

Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the FASB ASC, 820-10, defines fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurements, and expands disclosures about fair value measurements. An instrument’s categorization within the hierarchy is based upon the lowest level of input that is significant to the fair value measurement:

- *Level 1* - Inputs that utilize quoted prices (unadjusted) in active markets for identical assets that Habitat has the ability to access.
- *Level 2* - Inputs that include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.
- *Level 3* - Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity’s own assumptions as there is little, if any, related market activity.

Fair Value of Financial Instruments

Habitat’s financial instruments include cash and cash equivalents, receivables, certificate of deposit and payables. The carrying amount of these financial instruments, except for mortgage notes receivable and certificate of deposit (see **Note N**), as reflected in the Statements of Financial Position approximates fair value.

Habitat for Humanity of San Antonio

Notes to Consolidated Financial Statements
December 31, 2022 and 2021

Note B: Summary of Accounting Principles (Continued)

Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

Certain amounts in the 2021 presentation have been reclassified to conform to the 2022 presentation.

Cash and Cash Equivalents

For purposes of reporting cash flows, Habitat considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Inventory

Inventory consists of donated and purchased goods. Purchased goods are valued at cost determined by the moving-average cost method. Donated goods are valued at market value based on net realizable value.

Donated items that can be used in the construction of houses are valued at the estimated cost that Habitat would have paid for the item had it not been donated.

Any donated items that cannot be used in the construction of the houses are resold by Habitat in the Home Center. Habitat believes that the inventory of contributed goods and materials that are for resale does not possess an attribute that is easily measurable or verifiable, with sufficient reliability to determine an inventory value at the time of donation. It is only through the value-added processes that prepare the donated inventory for sale that the donated inventory has value. Accordingly, contributed goods and materials inventory for resale are valued at zero at the time of donation. Habitat subsequently estimates the value of inventory at year-end based on five weeks of subsequent sales of inventory.

Allowance for Uncollectible Accounts

Based on historical data, Habitat considers all notes receivable to be fully collectible or, if not fully collectible, then it is considered that the value of the homes collateralizing the notes exceeds the unpaid amount of the related receivable. Accordingly, no allowance for uncollectible accounts is included in Habitat's consolidated financial statements.

Mortgage Receivable and Mortgage Discount Amortization

Homes are sold at or below cost. When recorded as a sale, the sale of the homes, as well as the discount on mortgage issued, is recognized for the entire cost of the home. Habitat imputes interest on its mortgages receivable, which carry a 0% stated interest rate. The value of a Habitat house given in exchange for the mortgage note is deemed to be the present value of all future mortgage principal payments, using the effective mortgage interest rate at the time of issuance.

The total mortgage discount amortization is recorded on the Statements of Financial Position as a contra account to mortgages receivable and is amortized using the straight-line method over the life of the note. Mortgages are discounted at rates varying from 7.50% to 8.75% in accordance with rates suggested by Habitat for Humanity International. The mortgage discount is amortized over the life of the mortgage and recognized as mortgage discount amortization on the Statement of Activities.

Note B: Summary of Accounting Principles (Continued)

Property and Equipment

Habitat capitalizes property and equipment having an estimated useful life of more than one year and a cost of \$1,000 or more. Purchased property and equipment is stated at cost. Donated property and equipment is recorded at fair value at the date of the gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the depreciable assets, which range from 3 to 40 years. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Future Development and Existing Construction

Habitat records land held for future development and homes under construction at cost. Cost includes land acquisition, other related development costs, and construction costs on homes in progress.

Deposits Held In Custody for Homeowners

Deposits held in custody for homeowners are escrow funds collected from homeowners for payment of their property taxes and homeowners' insurance. These custodial funds are held in a fiduciary capacity by Habitat.

Habitat has assigned its mortgage collections operations to Frost National Bank (Frost). The agreement states that Frost will collect and remit principal and escrow payments on the mortgages. The funds received from the escrow payments are shown as both an asset and liability on the consolidated financial statements.

Contract Liability

Non-refundable deposits for prospective homeowners are customer deposits for homes that have not yet been closed on. Habitat recognizes revenue from these deposits as the related performance obligations are satisfied. A contract liability is recorded as deposits are received from approved home buyers during the lot selection phase of home builds. The payment will be applied toward the principal and escrow of the home loan on signing day. The balances of contract liabilities (reported as Non-Refundable Deposits for Prospective Homeowners on the Statements of Financial Position) as of December 31, 2022 and 2021 are **\$96,260** and **\$90,936**, respectively.

Prepaid Expenses

Expenses recorded in advance of the service or product being received are deferred and carried on the statement of financial position as prepaid expenses.

Revenue Recognition

Contributions and Grants

Habitat records contributions received as support without restriction or with restriction, depending on the existence and/or nature of any donor restrictions. Contributions are reported when an unconditional promise to give or other asset is received (in accordance with ASC 958-605). Gifts of securities are recorded at their fair market value when received.

Government Funding

Government funding is recorded on a reimbursement basis. Specifically, when qualifying expenses are incurred by Habitat, both a receivable from the government granting agency and offsetting grant revenues are recorded.

Note B: Summary of Accounting Principles (Continued)

Revenue Recognition (Continued)

Sales of Homes

Sales revenue is recorded as the performance obligations are satisfied at transaction amounts expected to be collected at the time of closing. Habitat's performance obligations related to sales revenue are satisfied as homes are sold as amounts representing the sale of the home are expected to be recognized when the mortgage on the home is fulfilled.

Home Center Sales

Home Center sales are recorded as revenue at the point of sale.

Contributed Nonfinancial Assets

Contributed nonfinancial assets recognized within the Statement of Activities include donated construction materials and supplies, and donated product to sell in the Home Center. Refer to the *Inventory* accounting policy note in this section (**Note B**) for the valuation methodology used for determining the value of these contributed nonfinancial assets.

Advertising

Advertising costs are expensed as incurred. Advertising expense totaled **\$137,785** and \$102,224 for the years ended December 31, 2022 and 2021, respectively.

Recent Accounting Pronouncements

Adopted in 2022

In February 2016, The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*, effective for fiscal years beginning after December 15, 2021 and interim periods within fiscal years beginning after December 15, 2022. Under this new pronouncement, generally, leases with terms of more than 12 months will be recognized in the Statements of Financial Position as an asset (right to use leased asset) and a liability (lease liability). The implementation of ASU 2016-02 did not have an impact to the consolidated financial statements as of and for the year ended December 31, 2022.

In September 2020, the FASB issued Accounting Standards Update (ASU) 2020-07, Not-for-Profit Entities (Topic 958): *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, effective for fiscal years beginning after June 15, 2021 and interim periods within annual periods beginning after June 15, 2022. Early adoption is permitted. The FASB ASU requires nonprofits to change their financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind. The FASB issued the update in an effort to improve transparency in reporting nonprofit gifts-in-kind. The implementation of this update did not have a material impact to the consolidated financial statements.

Note D: Mortgage Notes Receivable

The financing arrangement for the sale of Habitat homes is interest-free and payable over 20 to 25 years. For financial accounting purposes, the mortgage on the sale of a home is treated as a single transaction and is accounted for as a sale at inception of the financing arrangement. Mortgage notes receivable at December 31, 2022 and 2021 are summarized as follows:

	<u>Due Within One Year</u>	<u>Due Beyond One Year</u>	<u>Total</u>

Note I: Land Acquisition and Development of Future Homes

The 2022 land acquisition and development for future homes included expenses of \$2,557,360 for the Rancho Carlota Subdivision. The 2021 land acquisition and development for future homes included expenses of \$884,173 for the Rancho Carlota Subdivision.

Note J: Forgivable Loans from Bexar County

Habitat participated in the HOME Investment Partnership Program from 2015 through 2022. As part of the HOME Investment Partnership Program, Habitat receives a forgivable loan from Bexar County to provide home ownership opportunities to low-income families through new, single-family homes. As the homes are then sold to the clients, the county incrementally forgives the loan.

Grants receivable consists of amounts spent toward construction of infrastructure at subdivisions approved per the HOME Investment Partnership Program that have not been reimbursed by the County. As of December 31, grants receivable balance was as follows:

	<u>2022</u>	<u>2021</u>
Rancho Carlota Subdivision	\$ <u>68,520</u>	\$ <u>38,011</u>
Total Receivable	\$ <u>68,520</u>	\$ <u>38,011</u>

Rancho Carlota Subdivision

In 2019, Habitat received a forgivable loan from the County for the land acquisition and construction of infrastructure at the Rancho Carlota Subdivision to cover 14 units. The County has added three amendments as of December 31, 2022. The purpose of the First Amendment (4/20/2021) to the agreement is to include the Program Year 2020 HOME funds and increased the number of HOME assisted units in the Project from fourteen (14) to nineteen (19) units. The total amount of this amendment was \$148,891 bringing the total amount granted to \$736,290. The second amendment (9/7/2021) added no additional funding for units to the agreement. The third amendment (2/8/2022) increased the number of HOME assisted units from nineteen (19) units to thirty-two (32) units. The total amount of this amendment was \$519,350 bringing the total amount granted to \$1,255,640. The provisions of the loan provided that payments on the loan be deferred and that the principal and interest be forgiven on a pro-rata basis, as each of the 32 houses in the development are sold.

As of December 31, 2022, Habitat expended the \$1,150,407 allowed under this loan as follows:

Year Ended December 31, 2019	\$ 554,904	(During 2019, \$554,904 was approved for reimbursement by Bexar County and \$554,904 was still receivable at December 31, 2019. During 2020, \$371,584 was received, leaving a receivable of \$183,320 at December 31, 2020. During 2021, \$183,320 was received.)
Year Ended December 31, 2020	32,495	(During 2020, \$32,495 was approved for reimbursement by Bexar County and \$32,495 was still receivable at December 31, 2020. During 2021, \$7,792 was received, leaving a receivable of \$24,703 at December 31, 2021. During 2022, \$24,703 was received.)
Year Ended December 31, 2021	69,045	(During 2021, \$69,045 was approved for reimbursement by Bexar County. During 2021 \$55,737 was received, leaving a receivable of \$13,808 at December 31, 2021. During 2022, \$13,808 was received.)
Year Ended December 31, 2022	493,963	(During 2022, \$493,963 was approved for reimbursement by Bexar County. During 2022, \$425,443 was received, leaving a receivable of \$68,520 at December 31, 2022.)
Total Expended:	<u>\$ 1,150,407</u>	

Note K: Forgivable Loans from The City of San Antonio

Grants receivable consists of amounts spent toward land acquisition and construction of infrastructure at subdivisions that have not been reimbursed by the City. As of December 31, grants receivable balances from the City are as follows:

	<u>2022</u>	<u>2021</u>
Rancho Carlota - CDBG	\$ 207,050	\$ 106,717

Total Grants Receivable from the City	<u>\$ 248,168</u>	<u>\$ 206,717</u>

Habitat participated in the HOME Investment Partnership Program from 2016 through 2022. As part of the HOME Investment Partnership Program, Habitat receives a forgivable loan each year from the City of San Antonio. For each of the forgivable loans, Habitat donates the infrastructure built with the HOME Investment Partnership Program loan back to the City as the infrastructure is completed for each grant. As the homes are then sold to the clients, the City incrementally forgives the loan.

Note K: Forgivable Loans from The City of San Antonio (Continued)

Rancho Carlota Subdivision

In 2019, Habitat received a HOME grant from the City for a portion of land acquisition and construction of infrastructure at the Rancho Carlota Subdivision. The grant provides funding for the construction of 53 houses. As of December 31, 2019, Habitat had begun expending the \$1,250,000 allowed under this loan as follows:

Year Ended December 31, 2019	\$ 1,205,023	(\$1,205,023 was approved for reimbursement by the City during 2019 and \$543,533 was still receivable at December 31, 2019. During 2020, \$543,533 was received.)
Year Ended December 31, 2020	44,977	(\$44,977 was approved for reimbursement by the City during 2020 and \$749 was still receivable at December 31, 2020. During 2021, \$749 was received.)
Total Expended:	\$ <u>1,250,000</u>	

The reimbursements from the City were recorded as grant revenue at the time they were earned (i.e. funds expended), since it was likely Habitat would fulfill the loan terms. Habitat built and sold 11 of the 53 homes during 2020 and 42 homes during 2021.

In 2020, Habitat received a CDBG grant from the City for another portion of land acquisition and construction of infrastructure at the Rancho Carlota Subdivision. As of December 31, 2022, Habitat had begun expending the \$2,549,760 allowed under this grant as follows:

Year Ended December 31, 2021	\$ 1,177,220	(\$1,177,220 was approved for reimbursement by the City during 2021 and \$106,717 was still receivable at December 31, 2021. During 2022, \$106,717 was received.)
Year Ended December 31, 2022	1,135,081	(\$1,135,081 was approved for reimbursement by the City during 2022 and \$16,630 was still receivable at December 31, 2022.)
Total Expended:	\$ <u>2,312,301</u>	

The reimbursements from the City were recorded as grant revenue at the time they were earned (i.e. funds expended).

In 2020, Habitat received a General Fund (GF) grant from the City for the remaining infrastructure and impact fees for Rancho Carlota Unit 1 Subdivision. As of December 31, 2020, Habitat expended the \$1,333,240 allowed under this award as follows:

Year Ended December 31, 2020	1,333,240	(\$1,333,240 was approved for reimbursement by the City during 2020 and \$341,846 was still receivable at December 31, 2020. During 2021, \$341,846 was received.)
Total Expended:	\$ <u>1,333,240</u>

Habitat for Humanity of San Antonio

Notes to Consolidated Financial Statements
December 31, 2022 and 2021

Note O: Credit Risk of Financial Instruments

Financial instruments that potentially subject Habitat to concentrations of credit risk consist of its cash balances at the banks if such balances exceed the amount insured by Federal Deposit Insurance Corporation (FDIC). As of December 31, 2022 and 2021, Habitat's deposits at the Bank exceeded the FDIC limit of \$250,000 by **\$8,110,796** and \$9,356,804, respectively. Habitat has not experienced any losses in such accounts and management believes it is not exposed to any significant risk on its cash and cash equivalents.

Note P: Risk and Uncertainty – Current Economic Events

Certain current economic events have arisen which could impact Habitat's ongoing operations. As a result of the COVID-19 pandemic, mandated and voluntary closings have caused various business and supply chain disruptions which have an indeterminate duration. Additionally, the effects of economic stimulus programs and U.S. Federal Reserve actions remain uncertain. These matters could impact numerous facets of the business environment including interest rates, inflation, and the availability of goods, capital and labor. Any related financial impact cannot be reasonably estimated at this time.

Note Q: Use of Donor Funds

Habitat uses 100% of all cash contributions and grants for program activities unless the donor has specifically designated an alternate use. Other revenue, including proceeds from the Home Center, are used to pay for the remaining program expenses, as well as all Management, General, and Fundraising expenses. For the year ended December 31, 2022, Habitat received **\$2,820,350** in cash contributions without restrictions and **\$3,900,923** in government grants without restrictions or fulfilled restrictions. During the year ended December 31, 2021, Habitat received \$3,284,919 in cash contributions without restrictions and \$1,354,220 in government grants without restrictions or fulfilled restrictions. One hundred percent of these donor funds were used for program expenses.

Note R: Retirement Plan

Habitat has a defined contribution retirement plan that qualifies under Section 403(b) of the Internal Revenue Code. The plan allows employees who are over the age of 21 and work at least 20 hours per week to immediately contribute to the plan. The employer matching contribution percentage, established by the Board of Directors, is set at a maximum of 6%. However, the employer match does not begin until the employee has completed twelve months of service. For the years ended December 31, 2022 and 2021, Habitat's contribution totaled **\$157,225** and \$162,914, respectively

Note S: Subsequent Events

Subsequent events have been evaluated through the May 9, 2023, which is the date the consolidated financial statements were available to be issued.

Compliance Report

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Board of Directors of
Habitat for Humanity San Antonio, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Habitat for Humanity San Antonio, Inc (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated May 9, 2023.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Habitat's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Habitat's internal control. Accordingly, we do not express an opinion on the effectiveness of Habitat's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Habitat's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards (Continued)***

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors of
Habitat for Humanity of San Antonio, Inc.

Opinion on Each Major Federal Program

We have audited Habitat for Humanity of San Antonio, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Habitat's major federal programs for the year ended December 31, 2022. Habitat's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Habitat for Humanity of San Antonio, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Habitat for Humanity of San Antonio, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Habitat for Humanity of San Antonio, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Habitat for Humanity of San Antonio, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on Habitat for Humanity of San Antonio, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit is conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Habitat for Humanity of San Antonio, Inc.'s compliance with the requirements of each major federal program as a whole.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance (*Continued*)

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Habitat for Humanity of San Antonio, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Habitat for Humanity of San Antonio, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Habitat for Humanity of San Antonio, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

**Independent Auditor's Report on Compliance for
Each Major Program and on Internal Control
Over Compliance Required by the Uniform Guidance (*Continued*)**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards
December 31, 2022

Note A: Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of Habitat for Humanity of San Antonio, Inc. under programs of the federal government for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Because the Schedule presents only a selected portion of the operations of Habitat for Humanity of San Antonio, Inc., it is not intended, and does not, present the financial position, changes in net assets or cash flows of Habitat for Humanity of San Antonio, Inc. Therefore, some amounts presented in the Schedule may differ from amounts presented in the consolidated financial statements.

All of Habitat for Humanity of San Antonio, Inc.'s federal awards were in the form of cash assistance for the year ended December 31, 2022.

Note B: Summary of Significant Accounting Policies

- (1) Expenditures reported on the Schedule are reported on the basis of accounting using accounting principles generally accepted in the United States of America (GAAP). Such expenditures are recognized following the cost principles contained in 2 CFR Part 230, *Costs Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Habitat for Humanity of San Antonio, Inc. has elected to not use the 10 percent *de minimis* indirect cost rate as allowed under the Uniform Guidance.
