

Vision, Non-discrimination and Non Proselytizing Statement

Vision: A world where everyone has a decent place to live.

Non Discrimination and Non Proselytizing:

Habitat for Humanity of San Antonio includes all who believe that everyone should have a decent, affordable place to live. All are welcome to participate regardless of race, color, religion or creed, gender, national origin or ancestry, disability, familial status, political views or any of the other distinctions that too often divide people. Habitat welcomes people from all backgrounds and also serves people in need of decent housing regardless of race, color, religion or creed, age (if over 40), gender, national origin or ancestry, disability, familial status, or any other legally protected class. Habitat for Humanity of San Antonio does not proselytize, meaning that HFHSA does not express or imply that a condition for assistance is that people must adhere to a particular faith, convert to a particular faith, or listen to messaging about converting to a particular faith.
